

WAITAKI BOYS' HIGH SCHOOL
STRATEGIC PLAN
2024

Vision

Inspiring young men of outstanding character

Mission

The “all-round Waitakian” strives to be their best academically, culturally, socially, in sport and in character development.

Waitaki Boys’ High School

- A Decile 6 Year 9 to 13 Boys’ School, situated on Oamaru, North Otago. A School with a very proud history, founded in 1883, we have a number of historic buildings built with local Oamaru Stone and a well-used Hall of Memories dedicated to those students and Old Boys who lost their lives in the Great War. We also have a number of more modern amenities such as the Learning Support Centre and Auditorium.
- We are a boys state school with a current roll of 426 students.
- A Boarding school with a boarding establishment situated on the school grounds called Don House. Don House presently has 47 students.
- The 2024 student roll is made up of 20% Maori, 12% Pacific Island, 63% New Zealand European, 4% Asian and 1% (other). This cultural diversity is further enhanced by the 4 International students who currently attend the School.
- The School is situated amidst park like grounds with a small farmlet – Fraser Farm - also part of the School’s property. Fraser Farm is used as an extension of the classroom – providing hands-on learning experiences for students of agriculture and science in particular. The Sports Fields – including Don and Milner (which are both named after former Rectors of our school) - are well utilised by the school and the wider community.
- Our School is well supported by the Old Boys’ Association of proud “Waitakians” which has national and international branches, the Community Association, a great number of Waitaki area businesses and many who value the role of the school in the community.

Cultural Diversity

- Waitaki Boys' High School recognises the diverse ethnic and cultural heritage of New Zealand people and acknowledges the unique position of Maori and the principles and spirit of Te Tiriti o Waitangi.
- All staff members are expected to develop an awareness of Tikanga Maori (Maori culture and protocol) and Te Reo Maori (Maori language) and incorporate these into the daily life of the school.
- All practicable steps are taken to provide instruction in Tikanga Maori and Te Reo Maori for full time students whose parents ask for it. The School has introduced a Maori studies class for all Year 10 students and currently offer Te Reo through correspondence.
- The School has engaged with the local Runaka and wider Maori community to help implement cultural initiatives at Waitaki Boys' High School including Tuakana/Teina team building, Whanau nights and Kapa Haka. In 2024 staff are engaging with the Hikairo schema to improve teacher capability around cultural responsiveness.
- Pasifika culture is an emerging influence on the culture of the School and has been supported through the Supporting Pasifika Success Talanoa Project and most recently the "power up" programme. Pasifika students are also actively engaged in the Talanga Pasifika performance group which has been developed to both celebrate the culture of Maori and Pasifika and to celebrate Maori and Pasifika achievement at School assemblies and prize-givings.
- The school has appointed Maori and Pasifika Deans with specific responsibility for the development and implementation of Maori and Pasifika strategic plans.
- The School engages regularly with Te Runaka Moeraki to inform the development of policies for the School that reflect New Zealand's cultural diversity and the unique position of Maori.
